Message from the Pro

EUGGIE JONES

Cabin fever has officially set in! So far, Mother Nature remains undefeated in 2021 with very little golf played in January. Golf season is just around the corner and you need to be ready! The 2021 new equipment is rolling out daily from all the major vendors and we have access to all the top brands. We have accounts with Titleist, Ping, Taylor Made, Mizuno and Callaway. Dylan is a certified Ping club fitter and I am certified through Titleist. We will also price match or beat any local competitor (excluding the internet). If you are in the market for some new clubs, schedule an appointment for a fitting today! I guarantee you proper club fitting will knock some strokes off your score.

Golf Shop News: We have given the golf shop a facelift for 2021!

Come out and visit and take advantage of some awesome specials. We need to make room for our new 2021 Glenrochie gear!!! Currently, all winter apparel is 25% off and our spring merchandise is scheduled to arrive mid to late February.

Be golf ready for 21': Do you need new grips? Our golf professionals will regrip your clubs for FREE! You buy the grips and we will gladly replace your old grips at no charge. Most competitors charge \$3.00-\$5.00 per grip for this service. Cold weather can be a prime time to injure yourself while playing. Be sure to properly stretch before you play. Please take the extra time to stretch and warm up. Fifteen or twenty minutes of stretching can prevent a season long injury.

Junior Golf: Our March newsletter will be full of events and opportunities for your kids. We are still committed to being safe and our clinics will be smaller and safer for your kids to enjoy. We will offer masks and hand sanitizer at each event. We expect a huge junior golf season this year and we want to see all your kids and grandkids and their friends at Glenrochie this year.

Tournaments: You will find the 2021 Glenrochie tournament calendar attached in this newsletter. This schedule excludes the local PGA Pro-Am series. Those events will be added in March when after the Pro-Am

schedule is released. We hope you make plans to play in as many events as possible and win The Glenrochie Cup!

The Glenrochie Cup: Attached you will find information about The Glenrochie Cup. This is a new system that awards participation and good play in our events. We are going to recognize the top men and women golfers in our club. This will be gross and net so everyone will have an opportunity to win. You cant win if you don't play, so, mark your calendars and play as much as possible.

Hey, come see me please keep it in the short grass!

Euggie

GOLF REMINDERS

- » Tee times.... Please call the golf shop to make a tee time. During February, we will be using a "double tee" system on the weekends starting at 9:30 off the 1st tee and the 10th tee. This should eliminate or decrease early morning frost delays and ensure that most players will get to tee off and finish before dark. We will go back to normal tee times in March.
- » Dress code.... Denims and jeans are allowed on the golf course through March. Jeans with holes and tee shirts are not allowed at any time.
- » Pace of play... Please allow faster players the opportunity to play through. This is an awesome courtesy and allowing faster players through will ensure that everyone plays at an enjoyable pace. We should all play our rounds in less than four hours.
- » Course care.... Our course is in awesome shape and this is directly attributed to the members taking the time to repair all divots and ball marks. Our membership did an awesome job in 2020 of repairing divots and ball marks. Let's build off these simple practices and make our course even better in 21'! My personal rule is to fix every ball mark I see on the greens without delaying play and to repair my divot plus one more in the fairway.
- » Cart traffic.... Carts are to remain on the cart path at all times on holes #3 and all the par 3's. Please be aware of the green stakes at the greens and return to the cart path at that point. Also, please check with the golf shop to get the cart rule of the day.

Tentative

Tournament Schedule

2021
