

Bill Webster Junior Championship

The Bill Webster Junior Championship will be held at Glenrochie CC on May 15th-16th. In only its second year, The Bill Webster Championship is regarded as one of the best Junior Golf events in the region. This event is special because it mirrors The Masters tournament in every way and is in memory of Glenrochie's first PGA professional, Mr. Bill Webster. This year, players can participate in the Kirk Nairn par three championship on Friday afternoon (May 14th). The Kirk Nairn Par Three Championship will be in memory of Abingdon High School student and golfer, Kirk Nairn who tragically died in a car accident on the eve of his high school graduation in 2019; the same weekend as the inaugural Bill Webster Junior Championship. The Kirk Nairn foundation has agreed to sponsor four crystal trophies with the #4KN logo for the winners. Following the par three championship, Glenrochie will host the Bill Webster Champion's Dinner. The champion's dinner is complimentary and only open to last year's champions and their parents.... Green Jackets are required.

This year, the players entry will include playing privileges at Glenrochie CC from Sunday, May 9th- Friday May 14th after 2:00pm with range balls included. Included in the entry fee is Titleist golf balls, FootJoy outerwear garment, Kirk Nairn Par Three Championship, lunch on both tournament rounds, on course snacks, and refreshments. High school players will have the opportunity to win The Bill Webster Junior Scholarships valued at \$1000 each. The tournament committee will select a high school boy and girl to receive the scholarships based on their bio that highlights their academic, athletic, and community accolades.
